(Oct. 1 2020 to Dec. 31<sup>st</sup> 2020)

P425E204345 (Student Aid)

On March 27, 2020, the Federal government enacted the Coronavirus Aid, Relief and Economic Security Act (CARES Act), Pub L. No. 116-136, providing funds to institutions from the Higher Education Emergency Relief Fund (HEERF) to make Emergency Financial Aid Grants to Students for expenses related to the disruption of campus operations due to coronavirus, including eligible expenses under a student's cost of attendance, such as food, course materials, technology, health care, and child care. The law requires institutions to report certain information related to the use of these funds. The following information is reported for the period, May 20, 2020 to June 20, 2020

I. This statement shall serve to acknowledge that our institution signed and returned to the US Department of Education the Certification and Agreement – Emergency Financial Aid Grants to Students. We further attest that our institution has used, and/or intends to use, no less than 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to Students.

II. The total amount of funds that the institution has received from the Department pursuant to the institution's Certification and Agreement [for] Emergency Financial Aid Grants to Student is \$83,965.

III. The total amount of Emergency Financial Aid Grants distributed to students under Section 18004(a)(1) of the CARES Act as of this reporting period is \$5,201.35. This brings the total amount disbursed to students to date at \$83,964 (\$5,201.35 + \$78,763.65). ***This final quarterly posting is the final report that covers all remaining HEERF fund expenditures for Section 18004(a) (1) Student Portion funds.***

IV. The estimated total number of students at our institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus

eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 113.

V. The total number of students who have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act to date is 113.

VI. The following is the method used by our institution to determine which students receive Emergency Financial Aid Grants and how much each student has received/will receive under Section 18004(a)(1) of the CARES Act.

TCI used a number of factors in calculating grant amounts. These factors centered on student's current financial need based on data collected from returned surveys. Students itemized the areas in which they most significantly impacted by the Covid-19 pandemic and indicated specific dollar amounts associated with their needs. As TCI could not meet the individual need of each student, we determined that the most effective course of action would be to provide an equal amount of funding for each student who reported losses and unmet financial need.

VII. The follow instructions/directions/guidance was provided by our institution to students concerning the Emergency Financial Aid Grants. (Sample application below)

The CARES Act authorized the Higher Education Emergency Relief Fund which provides emergency funding for student and institutions impacted by the COVID-19 pandemic.
